

Regal

villa grand

60" Tall

INFILL PANELS: 2pcs 12" x 45", 1pcs 18" x 45"

Classic. Elemental.

The **Regal** mantel's simple elegance gives it a traditional charm without the typical visual weight of classic styles. Its clean open lines allow it to be dressed up or down to suite either family room or formal interiors.

The Villa Grand is a narrower model for unique space restrictions.
