

Regal

palais

72" Standard

Classic. Elemental.

The **Regal** mantel is a traditional surround with a graceful bearing. Its simple elegance gives it a traditional charm without the typical visual weight of classic styles.

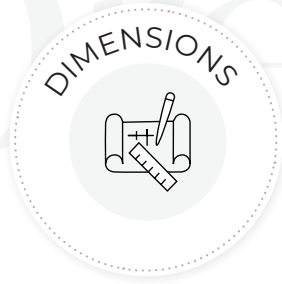

The Palais variation has shorter pilasters with a 42" x 38" viewing area.

Regal

PACKAGE
INCLUDES:

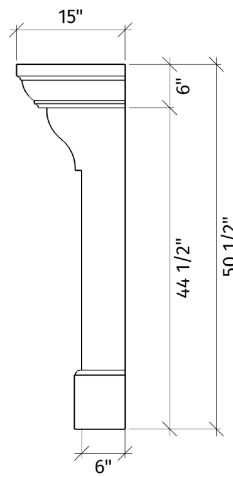

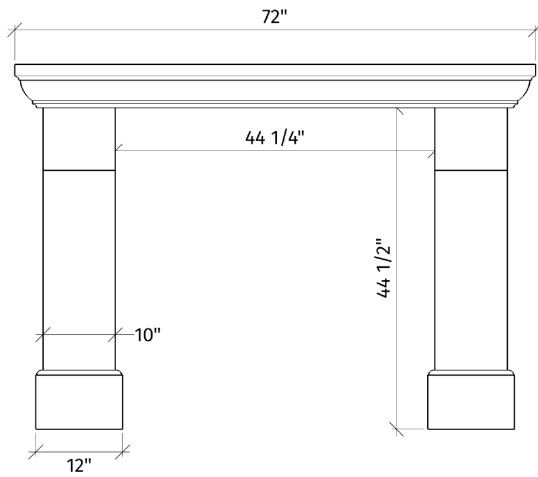

- Concrete mantel, legs
- Concrete infill panels
- Colour-matched caulking

Surrounds ship pre-sealed

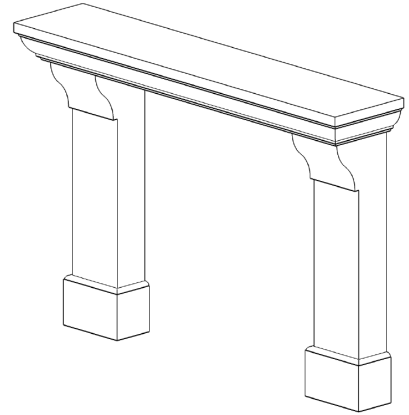

Regal

palais grand

72" Tall

Classic. Elemental.

The Regal mantel's simple elegance gives it a traditional charm without the typical visual weight of classic styles. Its clean open lines allow it to be dressed up or down to suite either family room or formal interiors.

The Palais Grand is the standard model.

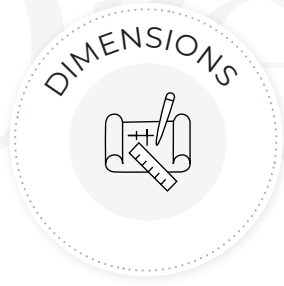

Regal

PACKAGE

INCLUDES:

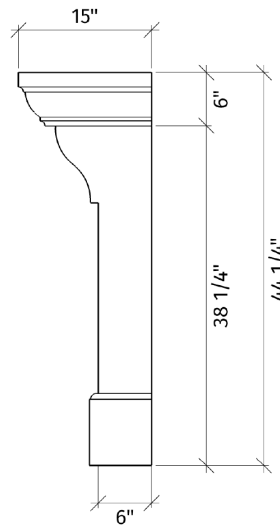

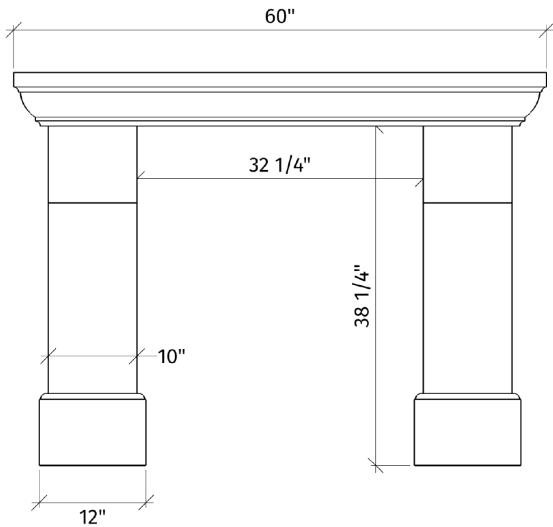

- Concrete mantel, legs
- Concrete infill panels
- Colour-matched caulking

Surrounds ship pre-sealed

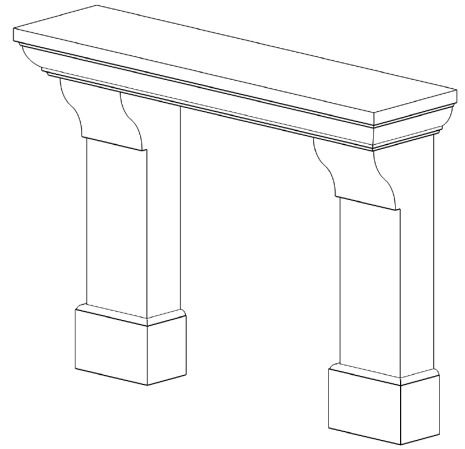

Regal

villa

60" Standard

Classic. Elemental.

The **Regal** mantel is a traditional surround with a graceful bearing. Its simple elegance gives it a traditional charm without the typical visual weight of classic styles.

The Villa is a petite variation for rooms with unique space restrictions.

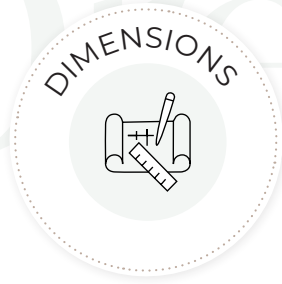

Regal

PACKAGE

INCLUDES:

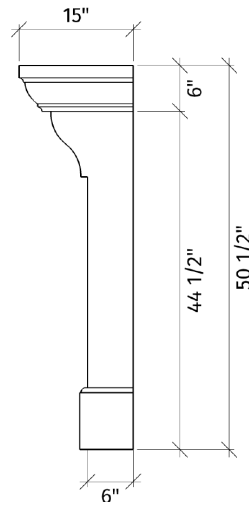

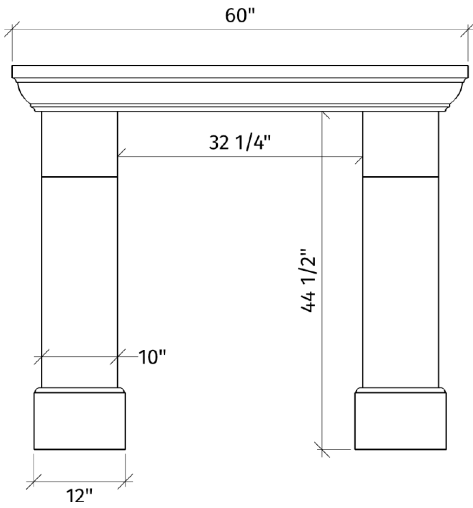

- Concrete mantel, legs
- Concrete infill panels
- Colour-matched caulking
